

GESIA is a not-for-profit, industry led and industry-managed association. A State level body, it provides a recognized platform for discussions & solutions of common issues as well as for networking amongst its ICT members, professionals and Government officials.

GESIA is the only nodal representative association of ICT Industry in Gujarat having 200+ members. GESIA works in partnership with the Government of Gujarat for the promotion of Software, BPO/KPO/ITES, Telecom / ISP and Electronics industry in Gujarat

During last ten years, GESIA has achieved many milestones, including, establishment of EQDC (Electronics & Quality Development Centre) and STTL (Software Testing Training Laboratory), under STQC Directorate, Ministry of Information Technology – New Delhi.

With the wealth of experience and knowledge of all the Executive Committee members as well as Co-opted members, GESIA will be able to invigorate and cultivate, to make it a Vibrant ICT Industry Association of Gujarat

To increase the visibility and awareness of ICT in Gujarat, GESIA has planned some distinctive activities this year pioneering with “GESIA Awards – 2010”. The event comes as an initiative by GESIA to motivate and encourage ICT sector in the state. At the same time, GESIA will strongly reinforce its commitment to create healthy growth of the industry in Gujarat.

The vision “to promote excellence in the ICT industry of Gujarat & to recognize the growing ICT industries by setting a benchmark” is the driving factor to hold these recognitions.

These awards, the first of their kind at the State level, aim at recognizing **“excellence”** on the basis of quantitative as well as qualitative criteria that would set a benchmark in the industry. It is a unique initiative intended to acknowledge the achievements of the different types of players in the ICT business in Gujarat.

With an objective of imparting a fair and neutral judgment of the service providers' performance we have constituted a jury of intellectuals and experts, ranging from industry experts to academicians.

If yours is a company that deserves recognition for the services provided and desires to differentiate itself in market, this is the right platform for you.
